```

The diagram illustrates a file dependency structure. At the top is a header file, 'view/include/view/CoinView.h', enclosed in a grey box. Below it are two source files: 'view/src/CoinView.cpp' on the left and 'view/src/ConcreteEntityFactory.cpp' on the right, both in white boxes. Two blue arrows point from the source files up to the header file, indicating that both source files include the header.
