

MenuState::MenuState

```
graph LR; A[MenuState::MenuState] --> B[view::Resource::loadTexture]; A --> C[State::State];
```

The diagram illustrates a sequence of calls from the `MenuState::MenuState` constructor. A grey rectangular box on the left contains the text `MenuState::MenuState`. Two blue arrows originate from the right side of this box. The upper arrow points to a white rectangular box containing `view::Resource::loadTexture`. The lower arrow points to another white rectangular box containing `State::State`.

view::Resource::loadTexture

State::State
