

PauseState::render

```
graph LR; A[PauseState::render] --> B[PauseState::drawPauseScreen]
```

A diagram showing a call from the `PauseState::render` method to the `PauseState::drawPauseScreen` method. The `PauseState::render` box is shaded gray, and the `PauseState::drawPauseScreen` box is white. A blue arrow points from the left box to the right box.

PauseState::drawPauseScreen
