

view::Camera::Camera

```
graph LR; A[view::Camera::Camera] --> B[view::Camera::recompute]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'view::Camera::Camera'. The right box is white with a thin gray border and contains the text 'view::Camera::recompute'. The arrow points from the right side of the first box to the left side of the second box.

view::Camera::recompute
